4263. SHRI ANANT RAM JAISWAL:
SHRI SHANKAR DAYAL SINGH:
SHRI VISWASRAO RAMRAO PATIL:
SHRI CHATURANAN MISHRA:

Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that due to reduction in import duty and implementation of new excise policy, certain imported goods have become cheaper in comparison to the same type of goods produced indigenously, with the result that indigenous factories are running into losses and thus either they have been closed down or are at the verge of closure;

(b) if so, whether Travancore based 'FACT' factory n Cochin, Kerala is one of such factory in public sector;

(c) what is the number of such factories in the country as on 30th November, 1992 together with the details of the items produced in each of them; and

(d) what action Government propose to take in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI RAMESHWAR THAKUR): (a) The viability of indigenous industry is dependent on a variety of factors like demand price, setting up of new industries, etc. Excise and Customs duties are only two of the factors involved. Whenever indigenous industry is adversely affected the connected issues relating to Excise and Customs duties are carefully examined for appropriate action.

(b) A representation has been received from M/s. FACT, Kerala and has been similarly examined.

(c) Government is not aware that Excise and Customs duties leviable have led to units being closed.

(d) In view of the above, does not arise.
